## **LTS Brings Competition to Arizona Market with 10<sup>th</sup> Location**

**LTS, a U.S. based company and a leader in video surveillance equipment specializing in IP and HD-TVI solutions, is excited to announce the opening of its 10<sup>th</sup> branch location in Phoenix, Arizona to meet the strong demands of the growing surveillance market. Security professionals across the Grand Canyon State can expect high quality network cameras, NVRs, HD-TVI cameras, DVRs, PTZ, surveillance accessories and end-to-end project installation support at the new location.**

The Arizona branch, located at **4141 S. 36<sup>th</sup> St, Suite 150 Phoenix, AZ 85040**, officially opens **October 17, 2016**. Sales office hours are from 9 a.m. to 6 p.m. (PST/MST) Monday through Friday.

“We are extremely excited to be serving Arizona installers and integrators,” Sales Manager Victor Reyes says. “Our amazing staff will deliver top-notch customer service, an expectation LTS customers around the country expect. We all look forward to helping our customer’s businesses grow locally. We love succeeding together.”

Similar to the nine other U.S. LTS branches, the Arizona branch offers local certified technicians, manufacturing/product manager support, and a fully stocked warehouse for convenience.

LTS also brings added value to Arizona customers with free workshops and seminars for insight to stay competitive in the demanding surveillance market. Workshops and seminars cover the latest cutting edge products and technology.

Year over year, LTS continues to grow because security professionals believe the company achieves what other surveillance companies cannot, making quality support key.

For more about product information or services contact the Arizona Branch at 877-284-2890

### **About LTS**

*LT Security Inc. is a leader in video surveillance solutions in the category surveillance cameras and network video recorder. LTS is a U.S. based company with well-developed collaboration partners, and acts independently via nine nationwide branch offices. Majority of LTS growth is generated by the full video product line; network cameras, NVRs, high definition analog, HDTVI cameras and DVRs, PTZ, accessories and free application software.
